Notes:

Item 616 - Performance Testing of Lighting Systems – This Item is referenced in Item 610, 614 and 652. The Contractor's maintenance responsibilities are relieved upon passing a 14-day performance test of the lighting system and acceptance of the project.

Item 628 - Electrical Services – This Item states that TxDOT will pay for all associated costs for the installation of the service. It also states that primary line extensions will be paid for by TxDOT under force account work.

Item 617 & Item 681 – These items state that primary line extensions will be paid for by TxDOT under force account work. Electrical energy consumed by the Contractor on an existing TxDOT electrical service will be paid for by the Department.
